Airport Shuttle - \$30 roundtrip/ \$19 one way

Starts at 4:45 AM and runs every half hour departing the hotel until 11:15 AM – please schedule your departure to the airport from The Inn at Opryland after 11:15 AM and it is not a scheduled route after this time.

- Arrival Information for Airport shuttle – after arriving at Nashville Airport you will follow the directional signage for baggage claim. After you have collected your luggage you will follow the stairs/escalator down one level to ground transportation. As you come off the stairs you will see a Gaylord Opryland booth directly in front of you. This is the location that tickets for the airport shuttle can be purchased/picked up. Tickets can be purchased/picked up through the agents or the kiosks at this location.
 - For those with pre-purchased tickets the agents at the desk and the shuttle drivers will have your name. Please see one or the other upon arrival to mark off your name.

The Grand Ole Opry – We do not have a regular shuttle to and from the Grand ole opry unless there is a scheduled show. When there is a show then the shuttle will begin rotating 1 hour prior to start time at about every 20 minutes. If anyone is going to just take a tour the best bet would be for them to take the complex shuttle to the mall and walk around or through depending on the weather. The complex shuttle drops off at the food court.
